Holiday Committee Report

Memorial Day Observance;

Wednesday afternoon, May 29, the Teachers and children of the Center Harbor Village School were conveyed to the various Cemeteries in Town and placed a Flag and bouquets of flowers, which they had prepared, on all known Veteran's graves. They also deposited a Wreath at the Veteran's Memorial Stone on the Library Lawn, Frank McIntire provided transportation for the trip.

On Thursday, May 30, a parade was formed at Maurice Chase Circle with Herbert E. Martin as Marshal and marched to the Waterfront and to Lake View Cemetery. A wreath was placed on the water and wreaths placed on the four graves in honor of Veterans who gave so much to us. Father DeLisle gave the Invocation at the Waterfront and Rev. Harry Sterling at the Cemetery. At each stop the American Legion Firing Squad saluted the dead with three volleys. Mrs. Ruth O'Haire provided wreaths for the ceremonies.

Fourth of July Observance;

James Hughes, Keith Matheson, Mrs. Gladys Bickford, Mrs. Berte Obert and Mrs. Betty Fleetham co-operated in producing a splendid Parade for our Fourth of July Celebration. An outstanding feature was the Mini or Juvenile Parade in which children one to six and six to twelve took part, arranged by Mrs. Fleetham and assistants.

Report of the Planning Board

Town of Center Harbor

Members:

The Planning Board of Center Harbor is a seven-member board, and at the beginning of 1968 was composed of the following members:

(Mrs.) Gladys Bickford
Charles G. Borrell
(Mrs.) Louise deSousa (Secretary)
Rob Roy Macgregor (Chairman)
Dr. Carl R. Marshall
Aaron Smith (Selectman)
Lewis E. Woodaman, Jr.

During the year two members have been lost; Mr. Charles G. Borrell who resigned because of health, and Mrs. Gladys Bickford, whose five-year term of appointment ended. The Board will miss the services of both members, especially those of Mrs. Bickford. Her faithful attendance and careful notes as Secretary pro-tem, along with her intimate knowledge of early Town history will be greatly missed. The Selectmen have recently appointed two new members (January 1969): Mr. Philip Bartlett and Mrs. Nancy Kelley.

The Year's Activities:

In 1968 the Board held 19 regular meetings. Two meetings were attended by members of the State Planning Commission, Mr. David Prescott and Mr. V. Michael Blake. These meetings were for the purpose of aiding the Board in starting its Comprehensive Plan, and for preparing a reconnaissance report for the U.S. Department of Housing and Urban Development. One meeting was held with members of the Moultonboro Planning Board to discuss the feasibility of Moultonboro's joining with Center Harbor (and possibly Center Sandwich) in a group Comprehensive Plan covering all three Towns. This was not pursued further because Moultonboro had not yet voted funds for their share of the plan.

In June and July the Board drew up a Planning Survey, based on an earlier questionnaire made up by the Town of Gilford. This was distributed in August, 1968. The purpose of the survey was to acquire background information on the Town's population, and to get information on attitudes towards Town planning and such problems as zoning, schools,

future development, etc. Much time and effort were spent in getting the questionnaire set up and distributed. Returns were disappointingly small - less than 50 were received. Of those returned an analysis was made by students at Belknap College. An overwhelming majority of the answers favored zoning; the great majority felt that Center Harbor should keep its elementary school. Preserving the Town's rural and country atmosphere was also strongly favored. It is expected that this survey will find further use in the Town's Comprehensive Plan.

In December the Board met with representatives of two Planning Firms: Metcalf and Eddy, and Hans Klunder Associates. In January, 1969, the Board also met with Mr. William B. S. Leong of the firm of Alonzo B. Reed, Inc. The firm of Alonzo B. Reed, Inc. was subsequently chosen to work on the Town's Comprehensive Plan.

Other business included: 1) preliminary review of two subdivision plans, 2) the selection of a 5-acre site for a Town cemetery (to be presented for approval at the 1969 Town meeting), 3) attendance at meetings of the Lakes Region Planning Commission, and 4) consideration of parking problems and other matters.

The Year Ahead:

1969 will undoubtedly be a year of increased activity for the Planning Board. Just as soon as Federal funds are allocated by the State Government, work will begin on the Town's Comprehensive Plan. The Town has already voted its share of this program (Article 15 of the 1968 Town Warrant), and under the Urban Planning Assistance Program (701) of the Department of Housing and Urban Development is entitled to Federal assistance as allocated by the State of New Hampshire. This plan, when completed, should fully explore and present solutions to most of the Town's problems. The major ones are future land use, location of highways, the future of Town schools, an adequate program to meet the Town's financial responsibilities, and development of recreational facilities. The best areas for open space and conservation purposes will also be an important part of the plan.

Many problems still remain with the Board from last year: adequate maintenance of the Town beach and bath houses, a suitable sign ordinance for the Town, replacement of shade trees lost due to blight and further beautification of the Town.

Board meetings will continue to be held on Wednesday or Sunday evenings. These meetings are open and interested residents are cordially invited to attend.

Report of Forest Fire Warden and District Chief

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burnt fingers and a dropped match is another fire. A little older and we like to have a woodland cookout, or go out by ourselves for a smoke, but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result - escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yards of our village streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn—
 - a. You need a written permit from the town fire warden for all debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 a.m. and 5:00 p.m.
 - c. Have equipment on hand to control the fire before you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out the fire occurrence column and save your tax dollars for useful purposes.
